Store it right, keep it fresh

For those who place great importance on thoughtful organisation and freshness while camping, hiking or travelling, the MyZip storage bags are a clever choice. Compared to bulky boxes or glass containers, these bags save valuable space in your backpack, camper or kitchen cupboard – while scoring points for lightness, durability and versatility.

- **Space-saving:** the flexible shape takes up significantly less space than traditional storage boxes – ideal for minimalist packing lists.
- **Lightweight:** every gramme counts – especially on outdoor adventures. The low weight of the bags eases the load on luggage and shoulders.
- **Freshness guaranteed:** the high-quality zip closure keeps food reliably airtight – for a longer shelf life on the go.
- **Reusable and robust:** reduces packaging waste and ultimately saves money.
- **Versatile travel companion:** whether you are camping, hiking or cycling – the MyZip bag is flexible and adapts to any situation.
- **All-rounder in the household:** suitable for the fridge, freezer, dishwasher and even the microwave – a true multi-

talent.

Available in various sizes from 90 ml (XS) to 2.7 l (XL), they allow for optimal portioning and storage of a wide range of contents. The bags are made from high-quality plastic (OPP/PE/PET) and are particularly durable as well as BPA-free.
