The two bowls can also be used individually and are ideal for lunch breaks at the office or on the go. They are dishwasher-safe and microwaveable up to 600 W or 100 °C. The lunch-box is melamine-free and perfect for anyone who wants to transport their meals flexibly.

Please note: as there is no sealing ring, the box should only be transported in an upright position.

The set consists of:

- Shallow bowl (700 ml)
- Deep bowl (1.3 l)
- Lid
