Induction Hotplate Hot Point, 1 plate

Information

Dimensions	28x4.6x35 cm
Pack size	39.4x31.4x8.5 cm
Net weight	2.1 kg
Gross weight	2.4 kg
Catalogue page	660

This portable induction hotplate is the perfect companion for outdoor activities and camping trips. With its lightweight PP housing and durable glass-ceramic cooking surface, it combines mobility with performance. It is available in two versions.

The hotplate offers you:

- 9 power levels from 300 to 2000 W for precise temperature settings
- In the **version with two cooking zones**: a left zone with 300 to 1800 W and a right zone with 300 to 1700 W
- Easy to operate via touch control switch
- LED display for clear visibility of the current setting

Perfect for anyone who does not want to forego fast and efficient induction cooking while on the go.
