Information

Dimensions	10x20x7.5 cm
Pack size	19.7x8.2x7.8 cm
Net weight	570 g
Gross weight	570 g
Catalogue page	481

The awiwa flush spray is a microbiological toilet bowl spray for portable toilet systems that receive their flushing water from the central fresh water tank, such as in caravans, motor-homes or on boats. It forms a protective film, which makes it harder for residues to stick to the toilet bowl and subsequently saves water while flushing. The gentle formula makes the toilet more durable.

Specifications
