Passenger door safe for Fiat Ducato 8 (from model year 2021)

Integrate a discreet but extremely secure storage location directly into your Fiat Ducato 8 with this specially developed passenger door safe. From model year 2021, this safe offers an elegant solution for safely storing your valuables directly in the vehicle.

Inconspicuous integration: From the outside, you cannot see that there is a safe behind the door. This discreet solution preserves the appearance of your vehicle interior without compromising on security.

Simple installation: The safe is easy to install. To do this, the supplied mounting plate is attached to the lower storage compartment using a suitable adhesive (not included). The safe is then screwed to the mounting plate using the screws supplied – a robust and secure solution.

Optimised storage space: The safe makes optimum use of the available space and offers enough room for everything you want to store safely when travelling, e.g. credit cards, mobile phones, ID documents, cash and jewellery.

Maximum security: With a VDS-certified 3-bolt lock, equip-

Specifications

Vehicle model	Peugeot Boxer X290, 2024 – ..., Fiat Ducato X290, all models after Facelift, 2021 – ..., Opel Movano X290, 2024 – ..., Citroën Jumper X290, 2024 – ..., Toyota ProAce Max 2024 – ...
Material	steel

ped with 7 tumblers, this safe meets the highest security standards. The lid is designed in such a way that it offers no points of entry that can be used to prise it open, which protects the contents from unauthorised access.

- **Compatibility:** Exclusively for the Fiat Ducato 8 from model year 2021.
- **Installation:** Easy installation with supplied mounting plate and screws (adhesive not included).
- **Security:** VDS-certified 3-bolt lock with 7 tumblers.
- **Design:** Unobtrusive integration that preserves the interior look.

Give your valuables the protection they deserve without compromising on design or convenience. The passenger door safe for the Fiat Ducato 8 gives you an additional sense of security when travelling.

Please note: The safe is screwed onto a previously glued mounting plate (adhesive not included) in the map pocket of the passenger door. To install the door safe, we recommend using Sikaflex 554 (451/206) to glue in the mounting plate.
