Control Panel iNet X Panel 2

Information

Dimensions	88x117x31 mm
------------	--------------

The Truma iNet X Panel is a central control system for iNet X-compatible Truma devices. Compatible devices in the caravan or motorhome can be conveniently controlled via the intuitive 4.3" touchscreen display. Additionally, operation via smartphone or tablet is possible.

Thanks to Bluetooth as well as TIN-Bus, CI-Bus, and CAN-Bus, the panel is versatile in networking and designed for the future. The temperature range from -30 °C to +60 °C ensures reliable operation even under demanding conditions.

Scope of delivery:

- Control panel
- CAN termination resistor
- Connection cable
- User manual
- Installation instructions.

Supported languages:

- German
- English
- French
- Italian
- Spanish
