

Item no. 610/843

Manufacturer's no. 760020050

Floor Tile IsabellaFloor, Perforated, 50 x 50 cm

Information

Dimensions	50x50x3.5 cm
Pack size	50x50x3.5 cm
Net weight	590 g
Gross weight	590 g
Catalogue page	81

The perforated floor tile IsabellaFloor offers numerous advantages. Thanks to the honeycomb structure on the underside, these tiles are very stable and can be easily cut to any size without losing stability. Openings allow, for example, the installation of electrical wiring beneath the tiles. Installation is very quick and easy without tools, as the individual tiles simply interlock like building blocks. To avoid tripping edges, there are also slanted pieces and corners as finishing edges. This not only provides an attractive finish but is also practical, for example, for wheelchair users and families with prams.

Specifications

Colour	black
