### Convenient macerator toilet for travelling

The macerator pump for the camping toilets C200, C220, C250 and C260 transforms your toilet into a convenient macerator toilet. Enjoy the luxury of a hygienic and practical toilet solution when travelling.

### Flexibility in the choice of tank

Instead of the cassette tank, you can choose any tank extension or connect directly to the sewer system. This flexibility allows you to create a customised solution for your camping vehicle.

### Robust stainless steel macerator

The powerful stainless steel macerator guarantees reliable and long-lasting use. Perfect for discerning campers who value quality.

### Efficient performance and easy installation

With a connection dimension of 25 mm and an impressive flow rate of 49.2 l/min, the macerator pump is extremely efficient. It is conveniently operated via the RV battery.

### Safe and certified

The macerator pump fulfils the highest safety standards and
