Gemstone™ GPS tracker: the intelligent companion for your vehicles

Discover the Gemstone™ GPS tracker – your perfect companion for tracking cars, motorhomes, vans, cargo bikes and more. With an incredible battery life of up to 6 years without recharging, this smart tracker offers maximum reliability. Additionally, the battery can be replaced.

Compact design for discreet use

Thanks to its compact dimensions and its low weight, it can be discreetly attached anywhere. Equipped with strong adhesive and waterproof (IP68), the Gemstone™ works in over 150 countries.

Easy to set up and use

Setup is child's play via QR code or Bluetooth and the free app for iOS and Android ensures simple operation. Incl. integrated SIM card with lifetime data transfer – no additional costs or monthly fees.

Instant activation and versatile tracking

Activate the tracker, select your profile and start tracking immediately. Ideal for the security of your vehicles and assets.
