

Item no. 303/119
Manufacturer's no. 20561

Cartridge Certec® Inline-Economy for Submersible Pump Systems

Information

Dimensions	7 x 12.5 x 7 cm
Pack size	12.5 x 0.7 x 0.7 cm
Net weight	180 g
Gross weight	190 g
Catalogue page	425

Maximum filtration for your submersible pump systems

With the **Certec® Inline-Economy** filter cartridge, you ensure exceptionally thorough water filtration while maintaining a high flow rate and minimal pressure loss. Thanks to the innovative **6-in-1 technology**, you benefit from reliable cleaning and protection against harmful contaminants – perfect for use in submersible and pressure pump systems.

Efficient filtration for pure water

The **high-quality PP cotton** and the specially developed **bio coconut activated carbon** provide effective **molecular sieving**, removing even the finest particles. The uniquely **germ-reducing effect** also ensures a drastic reduction of bacteria, germs and viruses.

Technical highlights:

- **Retention value:** 5 µm
- **Service life:** 15,000 litres or up to 6 months
- **Flow rate:** 21 l/min
- **Pressure loss:** maximum 0.3 bar

Effective reduction of pollutants:

Specifications

Colour yellow

- **Asbestos:** 100 %
