Luxurious, adjustable folding chair for ultimate comfort

Enjoy maximum seating comfort with this exclusive folding chair. Thanks to the 7-way adjustable backrest and the high-quality 3D padded fabric, the chair adapts perfectly to your needs. The particularly breathable padding with an open cell structure prevents moisture accumulation and ensures that the chair dries faster than models with conventional foam padding.

The backrest, the seat and the armrests are ergonomically shaped and provide optimal support and relaxation. The anodised H-frame guarantees additional stability and safety – ideal for relaxed seating in any environment.
