Professional chain care

For dusty trails and dry roads, Woshup's Cat'n'Oil DRY chain oil offers reliable protection and maximum lubrication performance. The advanced formula has been specifically designed for demanding conditions and ensures optimal functionality of the bicycle chain. It deeply penetrates and reliably lubricates every link of the chain – for clean, smooth and precise shifting performance. At the same time, the lubricant minimises wear and prevents premature deterioration. This keeps the chain performing well for longer and the bicycle in technically perfect condition.

- Specifically developed for dry and dusty operating conditions
 - Smooth and precise gear shifting through deep-penetrating lubrication
 - Significantly reduces friction and chain wear
 - Extends the service life of the chain and other drive components
 - Clean operation without residues or excessive dirt adhesion
 - Ideal for sporty rides, everyday cyclists and ambitious tours
- Cat'n'Oil DRY offers performance that convinces – for high-level bicycle care.
