The camping light Dekalb combines modern design with practical functionality. As part of the Industrial collection, it impresses with its robust aluminium frame and distinctive look. The warm white LED light creates a cosy atmosphere – ideal for comfortable evenings in your tent, at the camping table or in your motorhome.

Thanks to the stepless dimming function, the brightness can be individually adjusted – from gentle mood lighting to bright work lighting. The light features an integrated Li-ion battery that can be conveniently charged via USB cable.

With the practical hanging hook, the lantern can be flexibly placed. Its light weight and sturdy construction make it a reliable companion on trips and in everyday life.
