This high-quality grill topper transforms your gas cartridge stove into a practical barbecue in no time! The non-stick grilling surface ensures easy and fat-free grilling, while the integrated water tray/fat drip tray catches excess fat, preventing annoying smoke. Ideal for healthy grilling on the go, be it while camping, in the garden or while travelling.

With a diameter of 31 cm, the grill topper provides ample space for your food without taking up too much room. Thanks to its lightweight design, it is also easy to transport and quick to set up.
