wentronic
SOLUTIONS

Information

Dimensions	44.5x36 mm
Pack size	20x14x5 cm
Net weight	30 g
Gross weight	30 g
Catalogue page	565

Always a full battery. The dual USB-C™ charger, the future standard for charging sockets, can be installed in no time at all – in motorhomes, caravans and boats. The universal charger charges all mobile devices such as smartphones, tablets, digital cameras, headphones or mobile speakers with the right connection.

Features:

- With USB-C™ connection for quick and easy charging
- Charges smartphones 50% faster than chargers from other manufacturers with USB-A connection
- Easy to install and compatible with the switch ranges from Berker and Inprojal
- Safe thanks to rounded edges
- Protection against short circuits, overvoltage, high temperatures (dust cover optional)
- With open cable ends
- Complement the on-board equipment in black or white
- 12/24 V, 2 x 18 W
