

Item no. 320/440

Manufacturer's no. 200 PL2.5SY

Surface-Mounted Light

Information

Dimensions	21.8x4x7 cm
Pack size	24x19x4.5 cm
Net weight	141 g
Gross weight	189 g

The compact surface-mounted light for indoor use offers a reliable and efficient lighting solution for mobile applications. With an operating voltage of 12 V and a power consumption of 2.5 W, it ensures low energy consumption while providing high light output.

The cool white light at 6000 K creates a clear, bright illumination – ideal for motorhomes, caravans, boats or other indoor spaces where functional lighting is required. Thanks to its compact design, the light can be mounted flexibly and used in a variety of ways.

Be it as additional lighting or a targeted light source: this 12 V surface-mounted light for indoor use impresses with efficiency, easy installation and reliable performance in mobile everyday life.
