Colourful, unbreakable and stable: The multi-flexible drinking cups by silwy are made with high-quality plastics. Highly transparent and seamless, they lie particularly well in the hand. At first glance, you can hardly tell them apart from real glass.

Be it coffee, tea or cold drinks – with the silwy drinking cups, you not only have stable but also completely tasteless and very well-insulating new companions.

The set consists of: 6 drinking cups, 6 lids, 6 metal nano gel pads.
