

Item no. 300/711
Manufacturer's no. 533-256002

Quick Coupling UniQuick

REICH
 WATER SOLUTIONS

Information

Dimensions	11.5x3x2.5 cm
Pack size	18x11x2.7 cm
Net weight	30 g
Gross weight	100 g

The UniQuick quick coupling connects water pipes in caravans or motorhomes quickly and securely. UniQuick connectors on both sides allow for easy installation, while integrated check valves on both ends prevent water backflow. Ideal for fresh water systems in the camping sector.
