### Sika® Handclean cleaning wipes – the optimal solution for stubborn dirt

The Sika® Handclean cleaning wipes are the ultimate hand cleaning system for professional users. These innovative cleaning wipes combine a highly effective liquid hand cleaning formula with robust, durable and non-scratch wipes. Designed to effortlessly remove even the most stubborn dirt, the Sika® Handclean wipes are your reliable partner in demanding work environments.

### Versatile applications

Be it oil, grease, adhesives or tar – the Sika® Handclean wipes are specifically designed to thoroughly eliminate even the toughest contaminants like ink, wax, coal dust, graphite and grass stains. Ideal for use in workshops, on construction sites or in industrial environments, these cleaning wipes provide a quick and effective solution for anyone confronted with stubborn dirt.

### Robust quality and user-friendly design

Each bucket contains 70 high-quality cleaning wipes that can be used without water or additional cleaning agents. The wipes are gentle on the skin, non-scratching and leave no residues, allowing you to focus on your work without worrying about skin irritations or incomplete cleaning results.

### Specifications

Content 70 pieces
