Grill Grate Van Cook

Information

Dimensions	22x21.7x1.5 cm
Pack size	24x24x3 cm
Net weight	500 g
Gross weight	700 g

The Van Cook grill grate is the practical addition for the outdoor kitchen on the go. With its compact dimensions of 23.3 x 23.1 cm, it is ideal for preparing meat, vegetables, fish or breakfast specialities while camping or enjoying vanlife as well as on the balcony.

Made of aluminium, the grill grate is easy to use and weighs only 0.67 kg. The GreenGrill ceramic coating ensures even grilling and makes cleaning particularly easy.

For comfortable use, the Van Cook grill grate is equipped with a detachable handle. After grilling, it can be stored space-savily and transported conveniently in the included carry bag.
