Recessed Spotlight Vega 75 Touch Master, 6 SMD, black

Information

Dimensions	20 x 75 mm
Pack size	7.5 x 7.5 x 2 cm
Net weight	30 g
Gross weight	30 g
Catalogue page	553

The Vega 75 Touch Master combines modern LED technology with practical control. With 6 SMD diodes and a reflector, the spotlight provides even, warm white lighting (3000 K) at a power consumption of 1.3 W. The opal glass ensures pleasant light distribution and a harmonious ambience.

Thanks to the integrated touch sensor, the Vega 75 can not only be switched on and off but also dimmed continuously. As a master light, it can be connected with up to 5 additional spots, which can also be controlled together via the touch function.

Installation is quick and tool-free using the innovative Fri-Mount system, which allows screwless mounting.

Specifications

Dimmable	Yes
Energy efficiency class	E
Colour	black
Luminous flux	55 lm
Material	plastic
Nominal capacity	1.3 W
Nominal voltage	12 V
Type	Vega 75 Touch Master
Packaging	retail packed
