The camping chair Nanna impresses with its combination of lightweight design, compact construction and high seating comfort. Ideal for the awning or terrace, it offers flexible uses both when camping and at home. Thanks to its low weight, it is easy to transport. The backrest is adjustable in three positions, allowing you to always find a comfortable seating posture. The seat surface, with 1.5 cm foam padding and durable polyester with a PVC coating, provides comfortable seating and is easy to clean. The powder-coated aluminium frame (ø 25 mm) ensures stability and durability, while the chair remains easy to fold. With a load capacity of up to 120 kg, it is robust and suitable for everyday use.
