Water Tank and System Cleaner

Information

Dimensions	27 x 8 cm
Pack size	26 x 7.5 x 7.5 cm
Net weight	1 kg
Gross weight	1.05 kg
Catalogue page	479

The Solbio water tank and system cleaner ensures that you have clean drinking water on the go and is perfect for those who value thorough cleaning in their motorhome. This specially developed cleaner cleans the freshwater tank and pipes, neutralises unpleasant odours and provides hygienically flawless water without using chlorine or silver ions. With the power of special hydrogen peroxide, it ensures that your drinking water remains fresh and drinkable at all times.

Can be used in a single application together with the descaler (item no. 450/007).

Advantages:

- **Food technology tested:** safe for use in food-related applications
- **Efficient cleaning:** powerful cleaning without chlorine or silver ions
- **Neutralises odours:** ensures a pleasant freshness without disturbing smells
- **Easy to use:** perfect for cleaning water tanks and pipes in motorhomes and other recreational vehicles
