Information

Dimensions	9.5 x 20 cm
Pack size	21 x 21 x 10 cm
Net weight	638 g
Gross weight	720 g
Catalogue page	704

Robust and durable

The MAWII dog bowl, made from double-walled 18/8 stainless steel, reliably provides dogs with food and water – be it at home or on the go. The material is rust-free, sturdy and suitable for daily use.

Thanks to vacuum insulation, food and water stay fresh for longer. The shatterproof coating does not chip and resists cracking. The non-slip design ensures a secure stand, even during vigorous eating.

For large and small dogs

Available in various sizes – the 1-litre bowl is designed for smaller dogs and offers the same robust quality.

Care instructions

The bowl is leakproof and easy to clean, but not dishwasher-safe.
