Efficient and safe heat for caravans, boats, conservatories and apartments

Experience pleasant heat with the Ecomat 2000 Select heater – the perfect solution for your caravan, boat, conservatory or apartment. This versatile heater offers three power levels (450/750/1800 W) and can be connected to weakly fused lines thanks to the 2/4/10 A fuses. You can precisely set the temperature and adjust the heating comfort to your needs via the infinitely adjustable electronic thermostat.

Ceramic heating element for healthy heat

The PTC heating element of the Ecomat 2000 Select produces pleasant convection heat that does not dry out the air. This technology ensures a healthy room climate, ideal for sensitive individuals or longer stays in heated rooms.

Frost monitor function

The frost monitor function reliably keeps the temperature above freezing point and protects against frost damage. This function is particularly useful in conservatories or on boats to protect sensitive systems and equipment.

Automatic shut-off for maximum safety

Safety is a top priority with the Ecomat 2000 Select. The

Specifications

Colour	anthracite
Material	aluminium
Nominal capacity	1800 W
Nominal voltage	230 V

device automatically switches off if it tips over, thus minimising the risk of accidents. Additionally, the Ecomat 2000 does not contain any glowing components, significantly reducing the risk of fire.

Universally applicable and whisper-quiet

Thanks to its low power levels, the Ecomat 2000 Select can also be used at many campsites and boat docks with a power supply of only 500 W. The device is very quiet and therefore ideal for continuous operation. The robust metal housing also ensures that no unpleasant odours are produced.

PLUS function for quick heat

With the PLUS function, the Ecomat 2000 Select provides quick heat when it is needed. The control lights for Heating, Quiet, and Plus as well as the special Quiet function with standby mode offer additional comfort and easy operation.

The Ecomat 2000 Select is the ideal choice for those looking for a safe, efficient and flexible heating solution. Be it at home, in a caravan, on a boat or in a conservatory – this heater offers you pleasant and healthy heat at all times.

Discover the benefits of the Ecomat 2000 Select and enjoy cosy heat wherever you are!
