Experience the impressive performance of the Single USB-C™ charger with up to 60 W power, revolutionising charging in caravans, boats and motorhomes!

Thanks to the advanced USB Power Delivery technology, the charger enables powerful and lightning-fast charging of tablets, notebooks and smartphones.

The ingeniously simple, symmetrical USB-C™ connector of this charging device will become the uniform standard for all charging sockets in the future – the ideal platform for maximum charging comfort!

- Lightning-fast charging via USB-C™ connector with Power Delivery (60 W)
- Intelligent fast charging
- Easy installation and compatibility with Berker and Inprojal/CBE switch programmes
- Suitable for wall thicknesses up to 17 mm
- High safety: protection against short circuits, overvoltage and high temperatures
