The very robust and comfortable footrest is equipped with pleasantly padded Tex-Comfort fabric for optimum seating comfort. This fabric is very easy to clean, water-repellent due to its open cell structure and particularly resistant to discolouration caused by the sun. The footrest is of high quality and has TÜV approval. After use, it can be folded very flat and is easy to take with you. Additionally, the footrest is extra wide, which makes it also ideal for use as a stool.
