Information

Dimensions	0.5 x 5 cm
Pack size	5.5 x 5 x 1 cm
Net weight	150 g
Gross weight	250 g

The IP54 cover for USB-C built-in chargers reliably protects the charging socket from dust and splashing water, ensuring safe use.

It is compatible with single USB-C built-in chargers as well as dual USB-C/USB-C chargers and fits all common single built-in variants.

The cover is particularly suitable for use in caravans, motor-homes, boats or other areas where USB charging sockets are exposed to external influences.
