Plancha Sigma 2 Cook – everything a barbecue can do and much more

The Campingaz Plancha Sigma 2 Cook features two powerful Blue Flame burners with a total output of 6 kW. This ensures even heat distribution across the large grilling surface of 58 x 36 cm – ideal for 8 to 10 people.

Thanks to the plancha cooking lid with integrated thermometer, you can not only grill directly but also cook indirectly and even bake – from roast chicken and casseroles to biscuits.

The enamelled cast iron plate provides perfect roasting aromas and is especially durable.

The height-adjustable feet and pins help you level the plancha optimally and improve fat drainage. The improved cleaning system with funnel and grease drip cup makes cleaning after grilling particularly easy.
