Double-walled, unbreakable and stylish

Enjoy aromatic espresso in style with the stainless steel espresso cup, perfectly sized at 118 ml for espresso and lungo.

Double-walled insulation

Thanks to the double-walled vacuum insulation, drinks stay warm or cold for a long time. The flavour of espresso or lungo remains consistent, allowing you to savour your coffee at your leisure – be it while camping, at the office or at home.

High-quality and unbreakable

Made from robust 304 food-grade stainless steel, the cup is lightweight, durable and unbreakable. It is ideal for outdoor activities, travel and everyday use. Additionally, it fits most coffee machines.

Stylish design with functionality

The elegant shape adds a special touch to your dining table. Two non-slip fingerprint zones ensure the espresso cup sits securely and comfortably in your hand.
