Funnel Lid

Information

Dimensions	0.8x6.5 cm
Pack size	9x7x2.5 cm
Net weight	20 g
Gross weight	23 g
Catalogue page	663

The hard-anodised Omnia® filling aid lid – also known as the funnel lid – reliably covers the opening of the baking mould and helps to pour batter or other liquid foods in cleanly. This reduces spillage and makes filling and serving easier. At the same time, the black lid provides an elegant, tidy appearance.

Please note: the lid must be removed before using the oven.

Specifications

Colour	black
