VZE Sirius CI Display

Information

Net weight	130 g
Gross weight	130 g
Catalogue page	609

The VOTRONIC VZE Sirius CI is an innovative multi-panel system for motorhomes that conveniently combines the most important functions and information into a single device. The information is displayed on a bright, white-backlit graphic display. The prominently shown values are easily readable even from a distance under all lighting conditions. Coloured LEDs indicate the selected function at all times. The VZE Sirius is also CI-Bus compatible.
