SB Water Thief

Information

Dimensions	13x3.5x8 cm
Pack size	6.5x6x3 cm
Net weight	540 g
Gross weight	650 g
Catalogue page	413

The GARDENA Water Thief enables simple hose connection to taps without a thread. It can be fitted without any tools using a locking screw. The adapter allows the garden hose to be easily connected using a hose connector from the original GARDENA system. The connection remains reliably water-tight and drip-proof. Thanks to the high-quality materials and workmanship, the convenient water thief is corrosion-resistant and hard-wearing in everyday use. It is also frost-proof and protected from damage caused by cold and frost. GARDENA gives a manufacturer's warranty of up to five years on this high Made in Germany product quality.

For non-threaded taps with an outer diameter of 14 – 17 mm.
