The single-lever mixer Como Kompakt is a modern plastic fitting. A 360° rotatable spout ensures high user comfort. The ceramic cartridge, the easy-to-clean surface and the removable water outlet for descaling and cleaning support a long service life. The integrated microswitch (max. 6 A) allows for safe use in caravans and motorhomes.

Thanks to its compact design, the fitting is especially suitable for small kitchens and bathrooms in the vehicle. The easy-to-clean water outlet helps to maintain a consistent water flow even with hard water.
