Information

Dimensions	373x503x345 mm
Pack size	60x51x23 cm
Net weight	10 kg
Gross weight	10.3 kg
Catalogue page	537

Simply switch it on and your caravan or motorhome becomes cosy. The Truma S 3004 delivers warmth and comfort within a very short time. The motorhome and caravan heater is not only particularly powerful but also extremely reliable – even at deep sub-zero temperatures in winter.

- Stepless control of temperature and fan power
- Pleasant radiant heat
- Efficient, robust and low-maintenance
- Booster function for 20% more air volume flow
- Rated heat output 3500 W
- Suitable for installation in caravans and motorhomes

The casing and the fan are not included in the scope of delivery and must be ordered separately. Please use only original Truma parts.
