

Item no. 323/372
 Manufacturer's no. 44-600-1004

Extension Cable MC4 Connector

ECOFLOW

Information

Pack size	23 x 14 x 5 cm
Net weight	350 g
Gross weight	500 g

With these extension cables, you can use an EcoFlow Powerstation comfortably in the shade while the solar panels receive direct sunlight. They extend the cables from the solar panel to the power storage unit by 3 metres. The connections on the cables correspond to the connections on the solar panel. The extensions are only sold as a set.

Specifications
