Ultralight and crystal clear: acrylic glass is the preferred material for windows in motorhomes and caravans. To ensure its brilliance and stability are preserved in the long term, the innovative ceramic coating provides lasting durability and protection. They seal the surface, increase resistance and maintain clear transparency – for permanently brilliant windows and unobstructed views.

- Effective sealing – protects against UV radiation, chemicals, weathering and fine scratches
- Maximum transparency – invisible coating with tangible protection
- Long-lasting shine – dirt, water and deposits simply bead off
- Easy to clean – thanks to the easy-clean effect
- Sufficient for approx. 20 windows
