Perfect for efficient cooking on the go

With the oven rack for the Omnia Classic, you can prepare two dishes at the same time. While a main course is cooking below, for example, you can bake bread or warm up a side dish on the rack above. This saves gas and time and also reduces washing up. Additionally, many dishes benefit from the aromas of the other one. Whether you are camping or travelling – this practical accessory makes cooking with the Omnia even more versatile and comfortable.
