Sanitary comfort like at home – perfect for caravans and motorhomes

With the CTW 4110 from the renowned CT 4000 series by Dometic, you will experience the ultimate comfort and functionality of a high-quality cassette toilet. This innovative toilet was specially designed for use in caravans and motorhomes, offering a high level of hygiene and user-friendliness.

Perfect combination of design and function

The Dometic CT 4000 series is characterised by its compact design and low weight, making it ideal for narrow sanitary areas. Thanks to its modest space requirements, there is enough freedom of movement. With up to 30% less weight compared to conventional full ceramic toilets, the CT 4000 series is an optimal choice for mobile applications.

Main features of the CT 4000 series:

- **Anatomically optimised toilet bowl:** The easy-to-clean ceramic inlay bowl is very comfortable and easy to clean.
- **Space-saving, round seat:** The seat can be adjusted by up to 90° in both directions to perfectly suit your needs.
- **Powerful flushing:** for reliable and efficient cleaning.
