Custom cleaning experience with LED lighting

With the 800 ml dust bag, you can vacuum longer without having to empty the container. The included HEPA filter captures allergens and dust particles, keeping the air in your home clean and fresh. Illuminate your cleaning path with the built-in LED lights on the brush. It reveals hidden dirt and ensures that no spot is overlooked, even in dimly lit rooms. This cordless vacuum cleaner offers two suction speeds, allowing you to adjust the suction power to your cleaning needs. With a noise level of only 74 dB, you can vacuum without disturbing the peace and quiet in your home.
