Thanks to its improved LFP battery chemistry, DELTA 2 Max has a lifetime of 3000 complete cycles. After that, it drops to 80% of its capacity.

Emergency power supply for your home: Thanks to small intelligent additional batteries, DELTA Max offers up to 6 kWh more, so that you can power your home even in an emergency.

Fast double charging: Charge the battery from 0 to 80% within one hour. Benefit from extra fast charging with 3600 W thanks to the combination of AC charging and the EcoFlow Smart Generator.

Power multiple appliances: Are you looking for a device that can power energy-intensive appliances like refrigerators and dryers? Thanks to X-Boost, DELTA Max can power appliances up to 3000 W.

Portable solar power generator: Stay powered at all times. DELTA Max can be connected with up to four EcoFlow 400 W solar panels and achieves a fast solar charging speed.

Personalised in-app power management: Prioritise solar or AC charging, display input and output power, battery level and more.
