Easy Cooking on the Road – Eat well, no matter where you are!

Simple, creative and delicious – Easy Cooking on the Road presents over 80 recipes specifically designed for mobile cooking with the RoadBaker (also suitable for the Omnia oven). Whether you are a meat lover, a fish fan or a vegetarian – there is a suitable dish for everyone on the go.

From hearty Oslo salmon casserole to stuffed Roma tomatoes and Bavarian pretzel wreath – the illustrated recipes impress with clear instructions and reliable results. Sweet classics like marble cake or crispy Morgengold rolls can also be prepared easily.

An additional section with practical tips and tricks makes it easier to get started in the art of mobile baking. This makes the RoadBaker the ideal addition to any camping kitchen – for all who value good food, no matter where they are.

Ideal for beginners and advanced cooks, this book provides versatile recipe ideas for any time of day – from breakfast to dessert. The clever choice for anyone who does not want to compromise on good food while on the road.
