

Item no. 300/544

Corner Sink, tray on the left, white

Information

Dimensions	840 x 160 x 375 cm
Pack size	86 x 38 x 16 cm
Net weight	995 g
Gross weight	995 g
Catalogue page	462

This high-quality corner sink is the ideal solution for caravans, motorhomes and compact sanitary areas. With a material thickness of 4 mm, it offers a stable and durable construction that easily withstands the demands of everyday camping.

Practical shelf space: the integrated tray can be shortened to flexibly adapt to your installation situation.

Thought-out drainage system: equipped with a Ø 30 mm drain for standard connections.

Variable design: available with the shelf on the left in white and black, matching the individual style of your vehicle.

Advantages:

- Space-saving corner design for optimal use of space
- High-quality workmanship for long-lasting durability
- Adjustable tray for flexible installation
