Camping Table AP/248 90 x 60 cm

Information

Dimensions	90x60 cm
Pack size	92x64.5x5.5 cm
Net weight	6 kg
Gross weight	6.3 kg
Catalogue page	748

The camping table AP/248 combines elegant design with thoughtful functionality for camping, caravanning and outdoor kitchens. The lightweight, extra-reinforced aluminium construction ensures high stability with low weight. At the same time, the table appears particularly high-quality and stylish thanks to neatly finished table edges and feet.

The tabletop is heat-resistant and waterproof – ideal for everyday use at the pitch, while cooking or for cosy meals outdoors. Thanks to continuously adjustable table legs, the height can be flexibly adapted and uneven ground can be easily compensated for. Stabilising feet provide additional secure footing on almost any surface.

Another advantage is the unique folding and unfolding mechanism: setting up and folding down is quick and straightforward. The legs can be folded in, making the table compact to store and easy to transport – perfect for on the go.

Advantages:

- **Lightweight** with **extra-reinforced aluminium construction**
- **Heat-resistant, waterproof tabletop**

Specifications
