Robust, luxurious and stylish – for your outdoor adventures

The **camping table AP/245** combines luxurious design with high functionality and is the ideal companion for your next camping trip. Thanks to its **heat-resistant and waterproof tabletop**, it withstands the challenges of outdoor living, while the extra reinforced **aluminium construction** ensures maximum stability. The high-quality table edges and stylish legs give the table an elegant appearance that fits perfectly into any camping or garden setting.

A special highlight of the camping table AP/245 is the **infinitely adjustable frame**, which allows you to vary the height from **48 to 74 cm**. This way, you can optimally adjust the table to your needs – be it as a dining table or as a practical surface. The table is equipped with an innovative **folding mechanism** that makes setting it up and folding it particularly easy. Additionally, its compact design allows you to effortlessly transport and store the table.

Advantages:

- **Light and robust** – the perfect combination of robustness and easy handling
