The particularly convenient flexiMAGS magnetic towel holder set is ideal in the camper and at home. The magnetic board is simply stuck on and can be easily removed again if necessary, without drilling. The small powerhouses hold not only towels but also your jackets, your bathrobes and other equipment. Thanks to the rubber coating, it holds particularly well and does not slip.

Consists of a rubberised magnet Ø 43 mm with mounted hooks in black and a magnetic board with nano adhesive pad 4.5 x 4.5 cm.
