The reusable, tasteless glass straws are a good alternative to conventional plastic straws. Each straw features a logo in a different colour to help you distinguish them.

- **Glass straws:** the set includes 6 straws made of high-quality borosilicate glass (laboratory glass) and a practical cleaning brush.
- **For cold & warm:** the glass straws are suitable for cold and warm drinks and are perfect for refreshing beverages or cocktails. They are also a lovely gift idea for family and friends.
- **Reusable:** after use, the straws can be cleaned in the dishwasher or with the cleaning brush.
- **Natural cardboard:** the glass straws are packaged in a natural cardboard sleeve. This is also suitable for storage and can then be disposed of with waste paper.
