

Item no. 323/510

Manufacturer's no. 40-151-1022

Additional Battery RIVER 3 EB, 286 Wh

ECOFLOW

Information

Dimensions	23.4x11x23.1 cm
Pack size	28x27.5x15 cm
Net weight	3.6 kg
Gross weight	4.3 kg

EcoFlow offers intelligent additional batteries for all powerstations, ensuring a reliable backup power supply for your home. The powerstation and its additional batteries are charged and discharged synchronously, providing maximum efficiency and convenience. You can easily charge the batteries via solar panels, mains power or the EcoFlow Smart Generator.

With the EcoFlow RIVER 3 EB additional battery, you can significantly expand the capacity of your RIVER 3 Max powerstation. The additional battery is simply connected to the powerstation via the supplied connection cable, which ensures seamless integration. This makes it easy for you to flexibly adapt your power supply to your needs.

Specifications

Battery technology	LiFePO4 (Lithium)
Continuous output	300 W
Capacity	286 Wh
Nominal voltage	12 V 230 V
Type	RIVER 3 EB 300
