The stainless steel espresso cup with handle combines time-less design with practical function. Thanks to the double-walled insulation, you can always enjoy your espresso or lungo at the perfect temperature – be it at home, in the office or on the go.

Made from high-quality stainless steel, the cup is unbreakable, lightweight and stackable. This makes it ideal for camping, outdoor events, travel and everyday use. The sturdy handle ensures a secure grip, while the simple, elegant design adds a stylish touch to any table.

Advantages:

- Double-walled insulation keeps drinks warm or cold for longer
- Shatterproof & durable thanks to stainless steel
- Stackable and space-saving
- Comfortable grip with handle, modern design
