The Combo Camping Connect camping stove is the practical all-in-one solution for camping, hiking and spontaneous outdoor cooking. The set consists of the Campinggaz Camping Connect CV gas stove and 2 x CV 470 Plus gas cartridges and is ready for immediate use. With its powerful 1.25 kW burner, the stove is ideal for preparing hot meals as well as coffee or tea on the go.

The Easy Clic Connect & Dual-Lock function allows for a simple and secure connection between the stove and gas cartridge. The visual lock indicator clearly shows the operating status at all times: red means unlocked, green means ready for use. Four sturdy pot supports ensure a stable stand, even with larger pots. Thanks to its compact design, the camping stove can be transported in a space-saving way and conveniently stored in a backpack.
